## *Blessed Vincent Pallotti*

Saint Vincent Pallotti, Patron of Catholic Action! Such will be the inscription in the album of the Saints of God. We, the Knights of Columbus in Hammonton, have already taken him to be our Patron.

Don Vincent Pallotti was a Roman Priest of the first half of the last century who led a hidden life of sanctity and, combined with it, a life of an amazing variety of apostolic activity and an incredible amount of priestly work.

What Father Pallotti, now the Blessed Vincent, called Catholic Apostolate, today is known as Catholic Action: the teaching of those in the fold, the bringing back of those who have strayed and the bringing into the fold those still outside. For this work he spent his life. For this, the Holy Father, Pope Pius XI discovered in him the architect who blueprinted Catholic Action. For this, we, the K of C of Hammonton, dedicate ourselves and our order — the Council and the Assembly — that we may have in him an example and an inspiration to live our Catholic manhood.
