Historical Society of Hammonton
EST. 1960

Preserve the Past. Support the Future.

Join Us in Preserving Hammonton's Story – Become a 2027 Business Sponsor

Long before Hammonton was officially founded in 1866, local businesses were helping shape the town's identity. From generations of family-owned businesses to today's entrepreneurs, each has contributed to the community we know today.

The Historical Society of Hammonton invites you to become a **2027 Business Sponsor** and help preserve the people, places, and stories that make our town unique.

Your sponsorship helps us:

- Present free Speaker Series programs and engaging exhibitions at the museum and throughout the community.
- Preserve Hammonton's history through artifacts, photographs, documents, and oral histories.
- Provide educational opportunities for students, residents, and visitors.
- Expand access to our historical collections and digital resources.

As a Business Sponsor, you'll also receive year-round recognition through our website, social media, museum displays, and community programs, based on your sponsorship level.

Sponsorships begin at just $100 annually. To be included in our 2027 recognition materials, please sign up by December 31, 2026.

To become a sponsor, simply complete and return the enrollment form, or email it to info@historicalsocietyofhammonton.org. Payment options are provided on the form.

Thank you for helping preserve Hammonton's history for generations to come.
